- 3) The admission will be revoked if successful applicants fail to fulfill the educational requirements as stated before the date of enrollment in GSST.

Application Procedure

Step 1

Check whether you fulfill the qualifications of applicants (See above). When your educational qualification is based on ② or ③, prior screening must be conducted. For application to prior screening, follow the guidelines on page 6. If you are not sure whether you need prior screening or not, please contact us at gsst-aas@jimu.kumamoto-u.ac.jp.

Step 2

Contact a prospective supervisor in Kumamoto University and ask whether you can apply for IJEP Program under his/her supervision. It is highly recommended that applicants contact the prospective supervisor at least three weeks before application deadline.

Please refer following website when you search for a prospective supervisor;

<https://www.fast.kumamoto-u.ac.jp/en/research/div1/>

If you have a problem finding a prospective supervisor, please contact following email address;

ask-gsst@kumamoto-u.ac.jp

Step 3

After obtaining confirmation from the prospective supervisor in Step 2, please have face-to-face interviews with the prospective supervisor and at least two more faculty members from the related field(s). Online interviews are acceptable. Interviews must be completed within one year prior to the application deadline. For more details about interview procedure, please contact your prospective supervisor.

Step 4

First, send the required documents in PDF format by email to the Academic / International Affairs Section. Once you receive a response, submit the original documents via express postal mail. If someone other than the applicant submits the original documents in person to the Academic / International Affairs Section, we may request their name and contact information.

***Please note that all the original documents must arrive at the office during the application period.**

Application Period
